DECEMBER 2021

Bringing people what they need, when they need, with dignity.

Mobile Midlas is a brand-new initiative, to bring people what they need, when they need, with dignity. The project is a fully mobile office that can travel across Perth to offer services to people who struggle to attend formal appointments, those with travel limitations, and people experiencing homelessness.

To request Mobile Midlas to come to your community group or to join us in the truck, email Shona at admin@midlas.org.au to discuss how this service may support your community
